Athletics at Norfolk. CLUBS.

Richmond Philadelphia Hartford

The Richmond team concluded its series with the Athletics yesterday, taking four straight games from them, and this afternoon the Johnnies will commence what promises to be the most exciting series they will play this season. They will meet the Hartford team and begin a fight for third place, it being an assured fact that the club that stands in that coveted position at the end of this week will finish the season therein.

Yesterday's game was a veritable slugging-match, and while there was not much of a contest about it, it gave the Johnnies some good exercise with their bats, and will no doubt prove beneficial to them in the series with Biartford, where hits will be needed, ATHLETICS HIT, TOO.

The local lads were not the only ones, though, who wielded their bats with vigorous force. The boys from the Quaker City had their batting clothes on as well, and they rapped the ball all ever the diamond. They didn't hit like Richmond did, though, and as a result Richmond won.

The contest was characterized by hard litting from the jump, and for a time, until the Johnnies showed their hands, it seemed to be anybody's game. It was not long though, before Richmond's before forged to the front, and then

Athletics had Cain in to do the pitching for them, and Wells put Stockscale in. Jake having no one to play centre, Hargrove being injured, had to but Thornton to work in that garden, and the genial captain went back to his

STOCKSDALE HAD TO RETIRE. Somehow or other the visitors got the hang of Stockadale's curves early in the the first inning, and three in the second. The first four gave them a lead of one run over Richmond, and after the other three were made Chesbro was put in, and he stopped the fusiliade of hits on the part of the Athletics.

Richmond, however, had no notion of

losing the game, notwithstanding that Stockedale was being hit. They had got-ten three runs out of Cain, and when in the seed of the control of the seed of the control of the seed of the control of the seed of the second they began their most terrific work, they succeeded in sending six run-

ners over the plate. THEY TOOK ANOTHER SCALP. They kept up their hitting, and the visitors made four grievous errors, and the result was that when the dust cleard away and darkness had begun to settle down over the diamond, eight innings had been played, and Richmond had an other victory to hang as a trophy with her other scalps. CLOSE AND EXCITING GAME. New York Defeats Cincinnati-Score,

S to 7. NEW YORK, September 1.-The game was close and exciting, and with the score tied in the ninth inning, Beckley's home taken was held in Patch's Hall, in Manrun and McPhee's tally brought in what appeared to the multitude as winning runs. But the New Yorks, in their half of the ninth, on three hits, a base on balls, and an out, got three men neroes balls, and an out, got three men across the rubber and took the third consecutive game from the Reds. Seymour was not much of a puzzle, while Dammann heid his own until the ninth. New York's errors were costly. The features of the game were the base-running of Gleason and the fielding of Tiernan. Silver in New York and London

NEW YORK, September 1.—Bar sliver made a new low record in this market today. The quoted price was \$11-4 cents an ounce, 1-4 cent below the previous low record. Mexican dollars are quiet at 41 cents. London's opening price for bar sliver was 23.3-4, an advance, the rate subsequently declining 23.1-2d., 1-4d. below the previous low record.

The fall is accounted for by the suspension of the sale of yesterday's Council bills for ten weeks. This is equivalent to shutting off the supply of exchange on India, and is likely to result in a rise of Indian exchange to the gold shipment point, being regarded as removing one of the sustaining factors in the price of silver.

The members of Mr. Warren's family were all at home, with the exception of himself, and the first intimation they had of the presence of the robber was when a noise, as if some one were stumbling over furniture was heard up-stairs. On hearing this, Mr. Warren's daughter went to the rear door and called the servants. He recently inherited the Clermont estate, in Buckingham, one of the most valuable in that county, and went there to live. On Thursday last he and his sister drove in a buggy over to Gravel Hill to make some purchases at the store of West & Brother. When they had fhished buying what they wanted. Mr. Ayres lifted a large box of articles into the buggy. He was told that it was too heavy a package for him to attempt to lift unaided, but he thought not, and put the box in the vehicle and drove off. He had not gone very far, however, when he had a hemorrhage of the stomach. He was taken home and died on Saturday. The funeral took place Monday, and the interment was in the family burying-ground, in Buckingham. Deceased was a brother of Mr. W. S. Ayres, of this city; Mrs. A. R. Captain Lamb some ward for several years the steward at days ago wrote to the Chief of Free-Delivery at Washington, holding him to his promise, and when he received no answer late yesterday evening, left for the nation's capital last night to visit the department in person. Captain Lamb says he is determined that there shall be no delay in this great convenience and benefit to Manchester that his efforts can prevent. This morning he will visit the department first of his official calls, and not only ascertain the cause of the present delay, but urge forward the service as much as possible. It is under-stood that Uncle Sam has already given out the order for the street-boxes, and that it is the contractors who are to blame that they have not come. His father left here for Afton, and will bring the injured lad home.

A DOUBLE-HEADER.

Norfolk Wins One, The Second a

NORFOLK, VA., September 1.-(Special.)-A double header to-day with Hartford resulted in a victory for Norfolk in ford resulted in a victory for Norfolk in the first and a tie in the second game. The first game was forfeited in the sixth inning, after the locals had fairly won out. In the fourth, Burns scored on a three-bagger, and Dohenty's two-bagger. Norfolk came in in the fifth, and batted out four runs. Hartford blanked. In the sixth Weihl hit, went to third on Burns's wild throw, and scored on Wentz's hit. Burns declared Weihl out at second base, and he and Mack tried to buildoze poor little Hayden, who put the latter out of the game. Burns called his men off, and refused to play, whereupon the umpire awarded the game to Norfolk-9 to 6-on a ferfeit.

ferfeit.

The second game was a National-League article, and both pitchers did great work. Norfolk's fielding was phenomenal, and especially that of Pfanmiller. The locals chipped off one in the fourth, fifth, and sixth, and then stopped. The visitors made all three of theirs in the eighth and also stopped. When the game was called at the end of the eleventh, both pitchers were doing superb
